tomorrow

EVENT BROCHURE

ABOUT AI-HSSE 2027

The AI in Health, Safety, Security & Environment International Conference & Exhibition (AI-HSSE 2027) is a high-level international platform focused on practical, deployable, and governed AI solutions for safety-critical and high-risk sectors.

Inspired by the structure and clarity of leading regional and international conferences, AI-HSSE 2027 is designed to be policy-relevant, industry-driven, and solution-oriented, avoiding unnecessary complexity while delivering clear value to governments, regulators, operators, and technology providers.

The event positions Artificial Intelligence as a strategic enabler for preventing incidents, strengthening operational resilience, protecting critical infrastructure, and supporting ESG and sustainability objectives.

EVENT POSITIONING

- Flagship international initiative hosted in the Kingdom of Bahrain
- Focused exclusively on AI applications in HSE, Security & Environment
- Government–industry–technology convergence
- Policy, regulation, and implementation aligned
- Exhibition-led with real-world use cases and proven technologies

WHY AI-HSSE MATTERS

- Industries and governments are under increasing pressure to:
- Prevent major incidents and operational failures
- Protect critical infrastructure and national assets
- Meet stricter ESG, environmental, and safety regulations
- Manage cyber-physical risks and AI governance responsibly
- AI-HSSE 2027 responds to these challenges by focusing on what is implementable, what is regulated, and what delivers measurable impact

AI-HSSE 2027 LEADERSHIP

Infrastructure*

*Transportation, Aviation
& Logistics*

Maritime & Offshore

Healthcare & Pharma

*Waste Management &
Environmental Services*

*Government, Regulators &
Emergency Authorities*

*Cybersecurity & Critical
Infrastructure Protection*

*Smart Cities & Urban
Development Authorities*

*AI, Digital Transformation &
Automation Providers*

*Safety Equipment, PPE & Smart
Wearables Manufacturers*

WHY PARTNER WITH AI HSSE 2027

AI-HSSE 2027 offers partners a high-credibility platform to engage directly with decision-makers responsible for **safety, security, environment, and national resilience**.

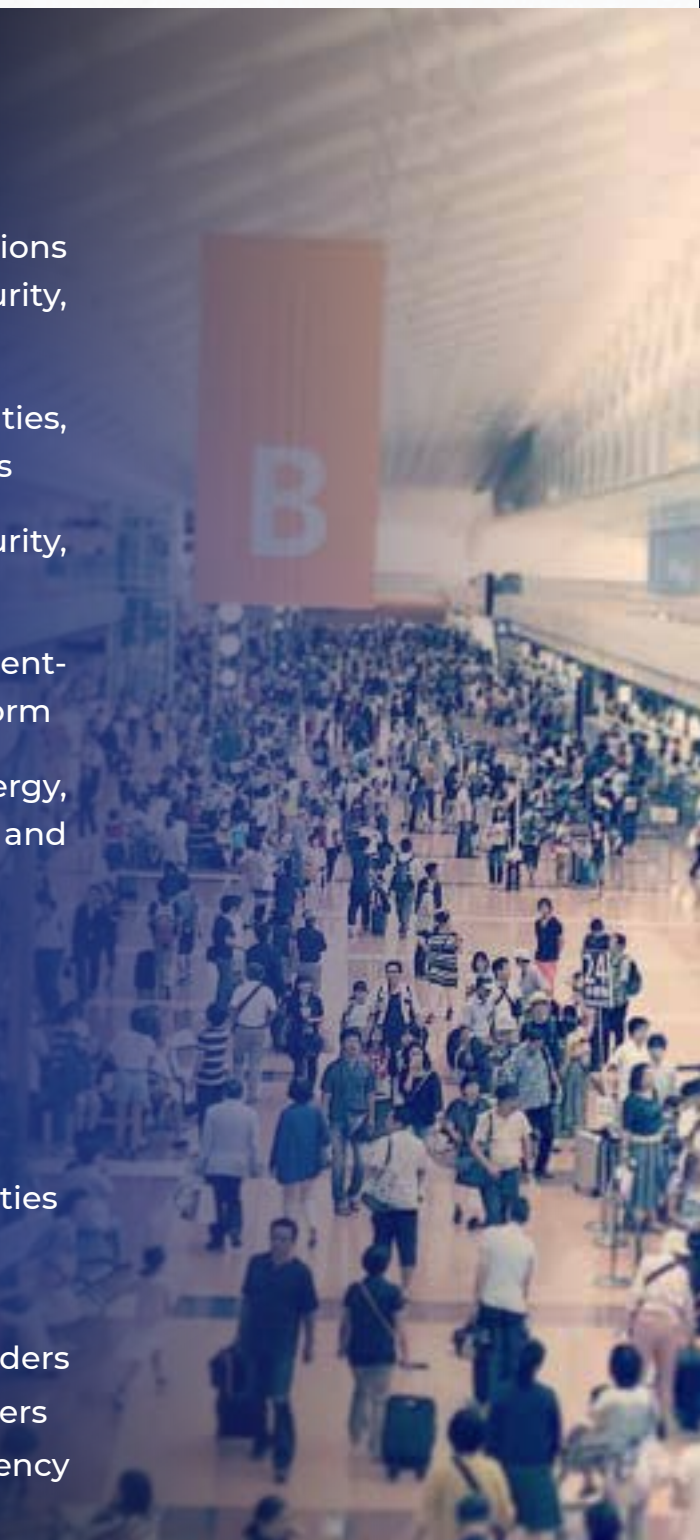

- Position your brand alongside government leadership and regulatory authorities
- Demonstrate deployable AI solutions to qualified industry and public-sector buyers
- Engage with senior HSE, security, operations, ESG, and digital transformation leaders
- Build visibility across a multi-industry, cross-sector international audience

WHY EXHIBIT

- Showcase deployable, industry-ready AI solutions to decision-makers responsible for safety, security, and environmental performance
- Engage directly with government authorities, regulators, and critical infrastructure operators
- Generate high-quality leads from HSE, security, risk, ESG, and digital transformation leaders
- Position your brand within a government-supported, high-credibility international platform
- Build strategic partnerships across energy, infrastructure, manufacturing, transport, and environmental sectors

VISITOR PROFILE

- Government ministries and regulatory authorities
- HSE, security, risk, and compliance leaders
- CIOs, CISOs, and digital transformation heads
- Operations, asset integrity, and engineering leaders
- ESG, sustainability, and environmental managers
- Critical infrastructure operators and emergency authorities

EVENT HOST

Over a quarter of a century ago, the first Bahraini Society concerned with health and safety was established. This association is the first one in this field in Bahrain, and it has remained the most prominent and best way Health and Safety professionals in Bahrain share their experiences and network together.

EVENT ORGANISER

iCONEX Group is a global leader in organizing technical conferences, trade exhibitions, consumer shows, and live events, driven by innovation, vibrancy, and excellence.

With a strong presence across the GCC, Asia, Europe, USA, London, Delhi, and Mumbai, iCONEX has established itself as a trusted platform creator with specialized expertise in HSE, ESG, Energy, and Technology. The Group has a proven record of bringing together governments, industry leaders, and innovators to foster collaboration, knowledge exchange, and business excellence.

Guided by its vision to empower industries and shape the future, iCONEX continues to deliver world-class platforms that inspire impactful dialogue and transformative outcomes.

 **20 - 22 April 2027**
